# REPORT FUNCTIONS

Report functions are now available for different users, with different filters per report. Additionally with the Moderation report built in and running in the background at all times.

Available reports include:

- TSR, PSR and ANA statuses of all trainees, including detail of overdue assessments, with relevant narrations, where needed;
- Training requirements, including academic progress; and
- Moderation report with a overview of the firm's compliance at any given day.

## BUILT IN PROMPTS

- All built in prompts have been tested to ensure live interaction with all users to avoid inefficiencies.

These include:

- Completing a TSR or PSR without a relevant competency as flagged in the development plan in the recent ANA;
- Late completion of assessments prompts users to provide a reason for same; and
- Allowing trainees to select different reviewers for different competencies in an assessment during the period under review, to ensure an accurate review for all relevant tasks.

Tasks to be performed	Rating by trainee	Decision tree path ref	Rating by reviewer	Decision tree path ref	A/B	Reviewer's comment (if necessary)
AE(C)1.1: Based on the entity's financial reporting needs and the stakeholders identified, evaluates the appropriateness of the accounting framework.	Rating		Rating			
AE(C)1.2: Evaluates accounting policies in accordance with the appropriate accounting framework.	Rating		Rating			

We would love to hear from you!
